Phone Messages for Students

Being a large population of students here at Quamichan, we receive a lot of phone messages for students throughout the day. We are hoping to streamline these messages as much as possible to be distributed during break times like lunch and between classes. There are occasional circumstances where this may not be possible, and in those instances, we are more than happy to get messages to your child on your behalf as quickly as possible. We are hopeful that with your assistance, we can put in place a procedure that is less disruptive to the learning environment. We thank you and appreciate you for all that you do!

Student Sign Out

If your child needs to leave campus throughout the day, the office must be made aware beforehand via phone or email from parent/guardian to the front desk.
